# The Role of Primary Care AUADES+

Louise Smith

Associate Director – Commissioning & Locality Delivery

# *What we did differently*

---

- Identified and seized an opportunity
- Changed a contractual lever
- Locality clinical leadership
- Provided education & training
- Standardised clinical protocols & templates
- Used data collection to inform commissioning
- Clinical data sharing (SCR+)

# Impact

	13/14	14/15	15/16	16/17 tbc
<b>Identification</b> (new patient numbers on EoL register)	257	462	984	610
<b>Awareness</b> (diagnosis)	17%	40%	51%	56%
<b>Planning</b> (ACP discussions)	2%	10%	58%	30%*
<b>Planning</b> (preferred place of death)	34%	61%	76%	78%
<b>Planning</b> (preferred priorities of care)	7%	18%	64%	77%
<b>Planning</b> (review)	21%	17%	43%	60%*
<b>Communicating</b> (consented to SCR+)	2%	24%	63%	72%
<b>Outcome</b> (A&E attendance)		43%	43%	33%
