

Dementia care in Gloucestershire

Dementia Diagnosis

***“Diagnosis is not an end in itself,
but a gateway to making informed
personal life choices.”***

Laurence Buckman and Alistair Burns BMA/NHS England 2013

Dementia Strategy: 5 Themes

- 1. Dementia is everyone's business**
- 2. People living with dementia are engaged, involved and informed**
- 3. The person living with dementia and their carer/family are the key focus**
- 4. Dementia is a long term condition, ranging from prevention to end of life**
- 5. Ensuring that the county workforce has the right skills and knowledge**
