

Thames Valley Strategic Clinical Networks

Mental Health, Dementia and Neurological Conditions

Network Development Day - Thursday 18th July

This interactive workshop is your opportunity to take part in the development of the Thames Valley MHDN network.

With keynote presentations from National Clinical Directors and local leaders in Mental Health, Dementia and Neurological Conditions. This will be your opportunity to hear about the SCNs, understand national priorities, identify and prioritise the issues relevant to Thames Valley and crucially, to co-create our work plan and develop your network.

Time: 09:30 – 16:30 (registration at 09:00) with networking lunch provided

Venue: Holiday Inn, Oxford, OX2 8JD

Representation is encouraged from all healthcare sectors and members of the multidisciplinary team. To register [CLICK HERE](#)* Please note that places are limited so please register as soon as possible to ensure your place. For all enquiries please contact sara.wallcraft@nhs.net
