

THAMES VALLEY CHILDREN'S PALLIATIVE CARE NETWORK

EOL Masterclass
Children's Hospice Services
Helen Bennett

Director of Care, Alexander Devine Children's Hospice Service, Chair of
Thames Valley Children's Palliative Care Network

Key outcomes we are proud of...

- Different models of CPC that support the needs of children and families
- Conference
- Parent engagement
- Children's palliative care network pathway

Key challenges ahead...

- The challenges of working across different settings and organisations
- Consistent meaningful data collection
- Commissioning
- Recruitment of children's nurses

What future models of service delivery may look like...

- Collaborative approaches to care
- Working with NHS
- Working more closely with adult palliative care colleagues
- Creative, innovative service delivery to meet ongoing changes
