

Musculoskeletal (MSK) Partnership Event

Thames Valley Strategic Clinical Networks

Friday 24 November: 09:30 – 15:00

Venue: Holiday Inn Reading South

Objectives for the day

- To run a practical event that brings together local MSK stakeholders to share what is working and current challenges.
- To explore RightCare data to aid insight about where we need to focus.
- To agree local priorities and actions which will have the greatest impact.
